(ii) The Board may, if it sees fit, and after giving due notice to the persons concerned and inquiring into his objections, if any, order that any entry in the register which shall be proved to the satisfaction of the Board to have been fraudulently or incorrectly made or brought about, be cancelled or amended.

(iii) The Board may, after holding an inquiry at which an opportunity has been given to the person concerned to be heard in person or by pleader, direct the removal along with or for a special period, from the register of the name of any registered practitioner, for the same reasons for which registration may be refused by the Board under rule (i) above. The Board may also direct that any name so removed shall be restored.

(iv) An enquiry under the above rules may be held by a Committee consisting of five members of the Board elected for the purpose by the Board. The Board or the Committee as the case may be, may at its discretion hold such an enquiry in camera. The decision of the Committee shall be deemed to be the decision of the Board.

(v) An appeal shall lie to the Local Government against every decision of the Board under rules (i) to (iv) above. Such appeal shall be preferred within three months from the date of the Board's decision. The Local Government may *suo motu* revise any order passed by the Board or the Committee as the case may be under rules (i) to (iv) above.

(vi) Whenever information is received that a medical practitioner who is an applicant for registration, or whose name has already been registered has been guilty of conduct which *prima facie* constitutes professional misconduct, the Secretary shall make an abstract of such information.

(vii) Where the information in question is in the nature of a complaint by a person or body charging a medical practitioner with professional misconduct, such complaint shall be made in writing addressed to the Secretary, and shall state the grounds of complaint and shall be accompanied by one or more declarations as to the facts of the case.

(viii) Every declaration must state the description and true place of abode of the declarant; and where the facts stated in a declaration are not within the personal knowledge of the declarant, the source of the information and grounds for the belief of the declarant in its truth must be accurately and fully stated.

(ix) (a) The abstract and, where a complaint has been lodged, the complaint, and all other documents bearing on the case, shall be submitted by the Secretary to the President, who may, if he thinks fit, instruct the Secretary to furnish the medical practitioner concerned with a copy of the complaint and other documents and invite him by means of a registered letter to submit any explanation he may have to offer. The documents, including any explanation submitted by the practitioner to the Secretary, shall then be placed before the Board.

The Board may then—

(1) order that all further proceedings be stopped; or

(2) appoint a Committee to consider the matter and submit a report to the Board as to whether proceedings should be instituted under rules (i) to (iii) above, or

(3) direct that a regular inquiry be held by the Board or a Committee thereof appointed under rule (iv) above.

A committee appointed to make a preliminary inquiry shall have power to cause further investigation to be made and further evidence to be taken and to take any legal advice or procure any legal assistance it may think necessary. The Committee shall report to the Board.

(b) If the Board consider that the case is one in which an inquiry under rule (i) or rule (ii) or rule (iii) above ought to be held, the President shall direct the Secretary to take steps for the institution of any inquiry and for having the case heard and determined by the Board.

(x) The Board or Committee thereof appointed under rule (iv) above shall observe in inquiries held by them the procedure laid down in the following rules.

(xi) When the charge is brought by a complainant, they shall require the complaint to be reduced to writing and accepted by the complainant. The articles of charge and a list of documents and witnesses by which such charge is to be sustained shall then be prepared and the Secretary shall issue a notice in writing on behalf of the Board addressed to the medical practitioner concerned. Such notice shall be accompanied by a copy of the articles of charge and list of witnesses and documents referred to above and shall inform the medical practitioner concerned, of the day on which and hour at which the Board or Committee intend to deal with the case and shall call upon him to attend before the Board or Committee on that day and hour. The notice shall be in the form appended to these rules, with such variations as circumstances may require. It shall be served on the medical practitioner fifteen clear days before the beginning of the inquiry and shall be accompanied by a copy of rules (i), (ii), (iii) and (iv) above and of the rules to regulate the procedure for conducting any inquiry referred to in those rules. Service of the notice may be made either by delivery to the medical practitioner in person or by registered letter addressed to his usual residence.

(xii) In every case in which the Board resolves that an inquiry shall be instituted and rules of inquiry issued accordingly, the complainant (if any) and the medical practitioner concerned shall, upon request in writing signed by the party or his pleader be entitled to be supplied by the Secretary with a copy of any declaration, explanation, answer or other document given or sent to the Board by or on behalf of the other party, which such other party will be entitled on proper proof to use at the hearing as evidence in support of, or in answer to, the charge specified in the notice of inquiry.

(xiii) Any answer, evidence, or statement forwarded, or application made by the medical practitioner between the date of the issue of the notice and the day named for the hearing of the charge, shall be dealt with by the President in such manner as he shall think fit.

(xiv) Copies of all material documents which are laid before the Board or Committee as evidence in regard to the case shall be made and furnished to each member of the Board or Committee as the case may be before the hearing of the case.

(xv) At the hearing of the case by the Board or Committee, the complainant and also the medical practitioner concerned may, if they so desire, be represented or assisted by pleaders.

(xvi) When the complainant appears personally or by pleader, the order of procedure shall be as follows:—

(a) The complainant shall exhibit the articles of charge to the Board or Committee, which shall be openly read.

(b) The medical practitioner concerned shall then be called upon to plead 'guilty' or 'not guilty' to each of them, which plea shall forthwith be recorded with the articles of charge. If the medical practitioner refuses or without reasonable cause neglects to appear to answer the charge either personally or by pleader, he shall be taken to admit the truth of the articles of charge.

(c) The complainant may then address the Board or Committee in explanation of the articles of charge and of the evidence by which they are proved.

(d) The oral and documentary evidence shall then be exhibited. The witnesses shall be examined by or on behalf of the complainant and may be cross-examined by or on behalf of the medical practitioner concerned. The complainant shall then be entitled to re-examine the witnesses on any point on which they have been cross-examined. No questions should be asked in re-examination on any new matter without leave of the Board. The Board or Committee may put such questions as they think fit.

(e) If, before the close of the case for the complainant, it shall appear necessary, the Board or Committee may, in their discretion, allow the complainant to exhibit evidence not included in the list furnished to the medical practitioner concerned or may themselves call for new evidence, and in such case the medical practitioner shall be entitled to have, if he demands it, an adjournment of the proceedings for three clear days, before the exhibition of such new evidence, exclusive of the day of adjournment and of the day to which the proceedings are adjourned.

(f) When the case for the complainant is closed, the medical practitioner concerned shall be required to make his defence, orally or in writing, as he shall prefer. If made in writing, it shall be openly read and a copy shall be given at the same time to the complainant.

(g) The evidence for the defence shall then be exhibited, and the witnesses examined, who shall be liable to cross-examination and re-examination and to examination by the Board or Committee in the same manner as the witnesses for the co-plainant.

(h) The Board or Committee or some persons appointed by them shall take notes in English of all the oral evidence, which shall be read aloud to each witness by whom the same was given, and if necessary explained to him in the language in which it was given, and shall be recorded with the proceedings.

(i) If the medical practitioner concerned makes only an oral defence and exhibits no evidence, the inquiry shall end with his defence. If he records a written defence or exhibits evidence, the complainant shall be entitled to a general oral reply on the whole case, and may also exhibit evidence to contradict any evidence exhibited for the defence in which case the medical practitioner concerned shall not be entitled to any adjournment of the proceedings, although such new evidence was not included in the list furnished to him.

(j) When the Board or Committee shall be of opinion that the articles of charge, or any of them, are not drawn with sufficient clearness and precision, the Board or Committee may, in their discretion, require the same be amended, and may thereupon, on the application of the complainant or the medical practitioner concerned, adjourn the inquiry for such time as they may consider reasonable. The Board or Committee may also, if they think fit, adjourn the inquiry from time to time, on the application of either the complainant or the medical practitioner concerned, on the ground of sickness or unavoidable absence of any witness or such other cause as they may consider reasonable. When such application is made and refused, the Board or Committee shall record the application and their reasons for refusing to comply with it.

(xvii) (a) When there is no complainant, or the complainant appears, the proceedings shall begin by the Secretary reading to the Board the notice of inquiry addressed to the medical practitioner concerned and the articles of charge and stating the evidence by which the articles of charge are supported.

(b) The medical practitioner shall then be called upon to plead 'guilty' or 'not guilty.' The further proceedings shall be conducted in substantial accordance with the procedure laid down in rule (xvi) above.

(xviii) The Board or Committee may, at their discretion, hold the inquiry *in camera*.

(xix) (a) Upon the conclusion of the case, the Board or Committee will deliberate thereon in private, and at the conclusion of the deliberations the Board or Committee shall vote on the question whether the articles of charge are proved or not and whether they show that the medical practitioner concerned has been guilty of professional misconduct or not.

(b) If the Board or Committee by a majority find the medical practitioner guilty of professional misconduct, the President shall direct the Secretary not to register his name if he be an applicant for registration or to erase his name altogether or for a specified period from the register of medical practitioners if he is already a registered practitioner, except in cases where the Board or Committee consider that in view of extenuating circumstances the practitioner may be let off with a warning.

(xx) When the registration of the name of any medical practitioner is found or when the name of any registered medical practitioner is removed from the register in accordance with the provisions of the preceding rules, the Secretary shall forthwith send notice of such refusal or removal to the medical practitioner concerned and such notice shall be sent by a registered letter addressed to his last known address. The Secretary shall also send forthwith information of any such refusal or removal to the body or bodies from whom the medical practitioner received his qualification or qualifications and shall request them not to admit him to any examination for any new qualification which is registrable in the register of registered practitioners without previous reference to the Board.

PLAGUE REGULATIONS IN FORCE OUTSIDE THE CITY OF MADRAS.

Whereas the Governor acting with Ministers is satisfied that certain parts of the Presidency of Madras are visited by and other parts are threatened with an outbreak of the dangerous disease known as plague;

And whereas the ordinary provisions of the law for the time being in force in the said Presidency are insufficient to prevent the outbreak of such disease or the spread thereof;

Now therefore in exercise of the powers conferred by section 2-A of the Epidemic Diseases Act, 1897 (III of 1897), as amended by the Devolution Act, 1920 (XXXVIII of 1920), and in supersession of all regulations previously issued on the subject, the Governor acting with Ministers is hereby pleased to prescribe the following temporary regulations to be observed throughout the said Presidency except the City of Madras for a period of one year from the 15th day of July 1933.

1. In these regulations—

(3) 'local authority' means

(i) in the case of municipal areas

(a) the municipal health officer; where no such officer has been appointed or in his absence, the local medical officer appointed by the Local Government, where neither of such officers has been appointed or in the absence of both or in the absence of the local medical officer, as the case may be, the municipal medical officer; and

In similar circumstances the Collector may notify by tom-tom and by publication in the District Gazette that any place or area in his district is infected with plague and shall inform the Local Government forthwith of such notification and the Local Government may cancel or modify such notification.

3. The Collector may

(1) close any existing market

(a) in any infected area or

(b) to any area in his district adjoining an infected area, whether such infected area be in that district or in a neighbouring district, and

(ii) appoint special places where markets may be held and prescribe limits beyond which it shall not be lawful for persons bringing articles for sale from or into an infected area to pass.

4. In any infected area the Collector, or a plague officer with the previous sanction of the Collector, may order the evacuation of infected premises and of premises in the neighbourhood of such premises, or generally of the infected area or any part thereof.

Provided that, before issuing or sanctioning an order for compulsory evacuation, the Collector shall

(a) satisfy himself that such evacuation is necessary to prevent or check the further spread of the disease or is in the interests of the affected population, having regard to climatic conditions,

(b) either provide within reasonable distance adequate and suitable shelter and the necessary water-supply for the persons ordered or satisfy himself that such shelter and water-supply have been provided by private agency; and

Nothing contained in this regulation shall be deemed to apply to persons who produce a certificate from a Registered Medical Practitioner to the effect that they have been successfully inoculated against plague within a period of six months immediately preceding the notification of a place or area as an infected area or who get themselves inoculated within 24 hours of the publication of such notification and produce a certificate to that effect from a Registered Medical Practitioner.

5. In any infected area the Collector may enter upon, occupy and use, or may depute any person to enter upon, occupy and use, without having recourse to the provisions of the Land Acquisition Act, 1894, any building or place which is required for, and is, in the opinion of the Municipal Health Officer in the case of municipalities where there is a Health Officer and in all other cases, of the District Health Officer or if there is no District Health Officer, of the District Medical Officer, suitable for any purposes connected with plague measures provided that, if the building or place is occupied by any persons notice in writing shall be given to such persons or be conspicuously affixed on such building or place not less than 24 hours before it is entered upon, occupied or used under this regulation. 6. If the Collector or a Plague Officer is of opinion that the destruction of any hut or shed is necessary to prevent the spread of plague, he may take summary measures for the destruction of such hut or shed and of the materials of which it is constructed.

7. The Collector or any person authorized by him in this behalf may direct that any building or place shall be inspected and that all rats and other susceptible animals found therein shall be destroyed, and to facilitate such destruction, he may order the temporary removal of any article from such building or place.

8. The Collector may direct that at any place in his district any consignment of grain or other produce or merchandise being conveyed by rail, road or otherwise, shall be examined, and shall, if necessary, be unloaded and exposed to the sun in such manner and for such period as he may fix.

9. Every owner or occupier of any building and every medical practitioner shall at once report to the nearest local authority any case of plague or any case of fever with glandular swellings or any unusual mortality among rats or squirrels, which may come to his notice.

10. The chairman of the municipal council in the case of a municipal area, the president of the panchayat in the case of a panchayat area, the headman of the village in other cases and in all cases any person authorised by the Collector in this behalf may prevent any articles suspected of coming from an infected area from being brought or taken into the local area concerned until such articles have been exposed to the direct rays of the sun for not less than three hours or have been disinfected to his satisfaction. Similar powers may be exercised by such chairman, president, headman or authorized person regarding the exposure to the sun or the disinfection of any articles taken out of any infected area within their respective jurisdictions.

11. (1) Any local authority or a plague officer or any officer of the Public Health Department not below the rank of a Health Inspector or a Sanitary Inspector may at any time by day or by night, after giving such notice as may appear to him reasonable, inspect any premises in which plague is reported or suspected to exist.

(3) The cost of cleansing or disinfecting any premises or part thereof or any article therein under clause (2) shall be met entirely by Government.

(4) Such authority or officer may direct the destruction of bedding, clothing or other articles likely to retain infection.

12. (1) In the absence of a written contract to the contrary, every inspector, mistri, peon, watchman, labourer, scavenger or other menial servant employed to do duty in connexion with plague shall be entitled to one month's notice before discharge, or to one month's wages in lieu thereof unless he is discharged for misconduct or was engaged for a specified term and is discharged at the end of such term.

(2) No such inspector, mistri, peon, watchman, labourer, scavenger, or menial servant shall, in the absence of a written contract authorising him to do so or without reasonable cause, resign his employment or absent himself from his duties or neglect or refuse to perform any of his duties without giving a month's notice.

(3) The Collector may from time to time appoint persons as suppliers of labourers or other menial servants subject to such conditions as he deems fit and every such supplier shall be bound faithfully to carry out the duties assigned to him by the Collector and to observe the conditions under which he was appointed.

13. When in consequence of the exercise of the powers conferred by or under these regulations any property is damaged or destroyed, the Collector shall pay to the owner by way of compensation such sum as he may consider sufficient to cover the cost of repairing the damage or replacing the property destroyed. The Collector's decision fixing the amount of compensation to be paid shall be final. No compensation shall however be payable to cover the cost of replacing the articles destroyed under clause (4) of regulation 11.

NOTE.—(1) The Plague Regulations being unless formally made and issued by Government under the Epidemic Diseases Act, no sanction is required as a condition precedent to prosecution for disobeying them (Judgment of the High Court in Criminal Appeal No. 461 of 1898).

(2) By Command Order, No. 507, dated 19th November 1898, all ranks in His Majesty's Command have been directed to obey the Plague Regulations, and any infringement of them is punishable as a military offence. Military pensioners have been warned (Superintendent's Circular No. 17, dated 16th December 1898) that any disobedience or wilful neglect of the regulations or obstruction offered to any official on plague duty will be treated as a breach of the good conduct required by Government as a condition of the continuance of their pensions, and that any pensioner being guilty thereof will be liable to have his pension stopped forthwith and the same reduced or permanently withdrawn.

7. The boarding grants will be sanctioned only to pupils (a) living in hostels attached to schools in which they study, or (b) residing in hostels or boarding houses managed by private bodies and attending schools in the neighbourhood. Exceptions may, however, be made for good reasons in cases of deserving Kallar girls living with their parents. Any such exception in the case of boys requires the sanction of the District Magistrate, Madura, even when the amount of grant is within the powers of sanction of the District Superintendents of Police, Madura North and South.

8. The boarding grants are open only to pupils of parents whose pecuniary circumstances are detailed by the head of their school to be such as to prevent them from prosecuting their studies without such assistance. 9. Heads of institutions may grant leave without diminution or loss of boarding grant, for a period not exceeding one month, to pupils who are absent in consequence of severe illness, but if the leave exceeds the period, no boarding grant will be allowed for the excess period. Casual leave without diminution or loss of boarding grant may be granted for good and sufficient reasons for a period not exceeding fifteen days in the year provided such leave does not immediately precede or succeed gazetted holidays. Under the above conditions, leave for the pupils in receipt of boarding grants in schools may be sanctioned by the heads of the institutions, who shall then report it to the District Superintendent of Police, Madura North or South as the case may be, who will in turn report it to the District Magistrate, Madura, if the grant has been sanctioned by the District Magistrate.

10. Without the special sanction of the District Magistrate, Madura, no pupil receiving a boarding grant under this notification shall be permitted to hold any other boarding grant provided wholly or partly by Government. Such sanction will not be accorded except for very special reasons.

11. All boarding grants tenable under the above rules are liable to forfeiture for misconduct, irregularity, or failure to make due progress or to secure annual promotion.

12. A boarding grant held in any class, shall run from the beginning of the month in which the holder joins the class and shall not continue to be drawn after he or she ceases to attend it.

13. The boarding grants are payable monthly.

14. The boarding grant sanctioned may, as the pupil's promotion to the next higher class, be renewed, provided the pupil's progress and conduct have been satisfactory. Application for fresh grants and renewal thereof should be submitted in the form prescribed. In the case of Kallar girl pupils, boarding grants may be renewed even if they fail to secure promotion to the next higher class if the failure is due to unforeseen circumstances.

15. An acquittance roll, copies of which will be supplied from the offices of the District Superintendents of Police, Madura North and South, shall be maintained by the head of the institution concerned, and shall be produced at the departmental inspection of the institution and when required by the officers of the Labour Department.

Taxation of costs.

1. In every bill of costs, the professional charges shall be entered in a separate column from the disbursements, and the items shall be specified as shortly and concisely as possible. The date of each proceeding, or disbursement shall be accurately stated; and, where a disbursement is to be vouched in the office of the Registrar, or of the Sheriff, the date of filing the stamp, or of payment, shall be given or a fee voucher produced. The bill shall be signed by the practitioner, or if the party appears in person, by the party, by whom it is left for taxation including any practitioner or party who is entitled to participate in the costs to be taxed.

Within two months from the date of the issue of the decree or order awarding costs, the party claiming the same shall leave the bill and all necessary papers including vouchers with the Taxing Officer, and obtain an appointment for taxation. Provided that, if costs of an interlocutory application or hearing have been awarded, and have not been previously taxed or paid, they may be included in the bill for the whole case. Provided further that the Taxing Officer in his discretion may extend the time.

Where costs of an interlocutory application are included in the bill of costs under the above proviso they shall be entered in the column for disbursements and a copy of the order shall be produced at the time of the taxation by the party claiming such costs.

4. Notice of the appointment shall be served upon the party to be charged or his attorney or advocate three clear days before, and an affidavit of service thereof shall be filed on the day preceding the day so appointed; on which day, or on any other day to which the taxation is adjourned, the Taxing Officer shall, if service of the said notice has been proved or the party to be charged appears or consents, proceed to fix the bill; and if the practitioner presenting the bill does not attend at the taxation, the Taxing Officer may disallow the sum charged in the bill for his costs of attendance.

5. The service required by rule 3 shall not be necessary in any case where the party to be charged has not appeared at the hearing of the case, in person, or by attorney or advocate or guardian or next friend.

6. If, within the said period of two months, an appointment to tax is not applied for, or service of notice where service is required is not proved, the Taxing Officer shall return the bill.

7. Unless the Court otherwise orders no allowance shall be made for the costs of, or occasioned by any party by, the amendment of any pleading.

8. If upon any taxation it shall appear that costs have been increased by unnecessary delay or by improper, vexatious, prolix or unnecessary proceedings or by other misconduct or negligence, or that from any other cause the amount of the costs is excessive having regard to the nature of the business transacted or the interests involved or the money or value of property to which the costs relate, or to the other circumstances of the case, the Taxing Officer shall allow only such an amount of costs as may be reasonable and proper or may assess the same at a gross sum.

9. In any case where the Court shall think fit to award costs to any party, the Court may by order direct taxation of the costs of such party and payment of a proportion thereof, or direct payment of a sum in lieu of taxed costs and direct by and to whom such proportion or sum shall be paid.

10. In respect of all fees and allowances which are in the discretion of the Taxing Officer he shall take into consideration the other fees and allowances awarded to the practitioner, if any, in respect of the work to which the fee or allowance applies, the nature and importance of the proceeding, the amount involved, the interest of the parties, the fund or person to bear the costs, the general conduct and costs of the proceedings and all other circumstances of the case.

11. Where it is made to appear to the Taxing Officer that a party is a purdanashin female, who by the custom of the country, or her caste, is not allowed to appear in public, and that an attendance upon or by her agent is not sufficient or proper, he may allow, as between party and party, the costs of the attendance of her attorney or advocate or of an officer of the Court, upon the said female.

12. Unless the Court otherwise orders, the costs of obtaining or briefing notes of evidence, and a copy of the judgment of the Court, shall not be allowed as between party and party except upon an appeal.

13. On a taxation of costs as between attorney or advocate and client unless one-sixth part of the amount of the bill be disallowed, the practitioner presenting the bill shall be entitled to all costs of preparing the bill, and of and incidental to the taxation thereof.

14. If, in any case, it is necessary for the practitioner on record to employ a practitioner to act as agent beyond the local limits of the jurisdiction of the Court, the Taxing Officer may allow the costs of the agent, and of instructing him. If the agent is employed in India, his costs shall be taxed according to the scale of fees prescribed by these rules; if he practises and is employed out of India, his costs shall be taxed according to the scale of fees in force at the place where he practises.

15. In any case in which a party entitled to receive costs is liable to pay costs to any other party the Taxing Officer may tax the costs the party is liable to pay, and may adjust the same by way of deduction or set off, and pass his allocatur for the balance only, or may if he thinks fit, delay the allowance of the costs the party is entitled to receive, until he has paid or tendered the costs he is liable to pay, or the Taxing Officer may tax, and issue his allocatur for the costs to be paid to the party.

16. Any party who may be dissatisfied with the allowance or disallowance by the Taxing Officer, in any bill of costs taxed by him, of the whole or any part of any items, may, at any time before the certificate or allocatur is signed, or such earlier time as may in any case be fixed by the Taxing Officer, deliver to the other party interested therein, and carry in before the Taxing Officer, an objection in writing to such allowance or disallowance, specifying therein by a list, in a short and concise form, the items or parts thereof objected to, and the grounds of such objections, and may thereupon apply to the Taxing Officer to review the taxation in respect of the same.

17. Upon such application the Taxing Officer shall reconsider and review his taxation upon such objections, and he may, if he shall think fit, receive further evidence in respect thereof, and, if so required by either party, he shall state either in his certificate of taxation or allocatur, or by reference to such objection, the grounds of his decision.

18. Any party who may be dissatisfied with the certificate or allocatur of the Taxing Officer as to any item or part of an item which may have been objected to as aforesaid, may within twenty days from the date of the certificate or allocatur, or such other time as the Court, or Taxing Officer, at the time he signs his certificate or allocatur, may allow, apply to a Judge in Chambers for an order to review the taxation as to the same item or part of an item, and the Judge may thereupon make such order as the Judge may think just, but the certificate or allocatur of the Taxing Officer shall be final and conclusive as to all matters which shall not have been objected to in manner and time aforesaid.

19. Such application shall be heard and determined by the Judge upon the evidence which shall have been brought in before the Taxing Officer, and no further evidence shall be received upon the hearing thereof, unless the Judge shall otherwise direct.

20. If any practitioner or party considers that the maximum fee allowed by these rules is insufficient, or that a fee ought to be allowed in respect of any matter not provided for by these rules, he may, upon the taxation of the bill, apply to the Taxing Officer to certify the amount which the officer is of opinion ought to be allowed and may then apply for a review of the taxation in manner hereinbefore prescribed. At the hearing of the application, the Court may allow such fee, or may refer the bill to the Taxing Officer with such directions as it thinks fit, or may make such other order as it thinks just.

7. Unless the Court otherwise orders, in cases capable of valuation for purposes of taxation other than those falling under rule 19 below the words "the amount or value of the claim" in rules 2, 5 and 6 mean the value as set forth in the plaint, written

statement containing a counter claim, or memorandum of appeal, and where Court-fees are payable ad valorem the value on which such court-fees are paid, and "appeal" includes a memorandum of cross-objections.

8. Where the valuation of the subject-matter of a suit as set out in the plaint is disputed by the defendant, the Taxing Officer shall subject to rule 41 take the valuation put in the plaint as a true value for purpose of taxation of costs, unless the value of the subject-matter of the suit has been determined by Court and in such case shall take such value.

9 Where proportionate costs are allowed to any party, the proportion rule unless otherwise ordered shall apply only to such items of the bill of costs that are calculated on the *ad valorem* basis.

10 Fractions of a rupee in the amount or value of a claim are to be rejected in calculating the fee payable thereupon.

11 In cases in which the subject-matter of the claim or a substantial part thereof is incapable of valuation, the Court may, at the time of passing the decree or order, record a finding to that effect, in cases where there is no finding of Court, the Taxing Officer may fix what in his opinion is a reasonable valuation of the claim or call upon the party who has filed the bill to submit an itemised bill of costs.

13 If several defendants or respondents, who have separate interests, set up separate and distinct defences and succeed thereon, a fee for one practitioner for each of the defendants or respondents who shall appear by a separate practitioner may be allowed in respect of his separate interest Such fee, if allowed, shall be calculated with reference to the value of the separate interest of such defendant, or respondent, in the manner hereinbefore prescribed

14. In suits for accounts, partnership actions, suits for partition, suits for administration, and generally in all suits where a preliminary decree is passed and an enquiry is directed to be held to enable a final decree to be passed, costs of the suit are to be taxed on the passing of the final decree unless the Court shall otherwise direct

15. In cases of special difficulty or importance, the Court may, on the application of a party, direct that (1) a higher fee than would ordinarily be admissible under these rules be allowed or (2) two sets of fees be allowed to a party who has engaged more than one advocate, and the Taxing Officer shall thereupon allow to that party a second fee equal to thirty-three and one-third per cent of the fee that would ordinarily be admissible under these rules

16. Except in cases where an itemized bill is filed in suits and in appeals therefrom (incapable of valuation) where the Court orders the costs of an interlocutory application to be taxed, the Taxing Officer shall fix a reasonable fee not in any case exceeding Rs. 50 in the case of a Judge's summons and Rs 75 in the case of a Notice of Motion.

17. The fee allowed on the percentage scale for prosecuting or defending a suit on the original side of the High Court or an appeal therefrom is intended to cover all proceedings up to final decree; but it shall not be deemed to include the fixed costs of interlocutory applications, the costs of which have been ordered to be costs in the cause.

18. Where a suit or appeal is remitted for rehearing and disposal or for a finding on issues, a further fee may be allowed in respect of such proceedings and such fee may be allowed by the Taxing Officer, who shall take into consideration the work involved. Such fee may not exceed 50 per cent of the original fee allowed.

19. In proceedings other than suits, being proceedings for which no provision is made for advocates' fees, in these Rules, advocates shall be allowed the fees set out in Appendix IV hereto and shall bring in and tax an itemized bill in the same manner and shall be entitled to be paid the same fees as are allowed to attorneys.

Taxation as between advocate and client.

20. Where dispute arises between an advocate and his client as to the fees payable to the advocate the advocate may apply to the Taxing Officer asking to have his bill taxed, and the Taxing Officer may thereupon proceed to tax the bill.

21. The rules regulating the taxation of costs between party and party are as far as may be, applicable to taxation between a practitioner and his client.

22. The Taxing Officer shall not recognise any agreement that may be set up regarding the fees payable to a practitioner by his client unless the same has been recorded in writing and filed along with the vakalat filed by the practitioner.

23. In cases where the practitioner has not conducted the whole suit or proceeding or his services have otherwise become terminated, before the suit or proceeding is over, the practitioner shall not be entitled to the full *ad valorem* fee but only to such a portion thereof as the Taxing Officer considers reasonable provided that if the Taxing Officer considers that the termination was without just cause, he may allow the full *ad valorem* fee.

It shall be regarded as a just cause for termination if the practitioner is not either in person or by deputy duly authorized by endorsement on the brief to hold the brief, in Court when the case is called on

24 An advocate when he has taxed his bill of costs against his client, may apply to the Master on summons for an order against his client or the legal representatives of such client for payment of the sum allowed on taxation or such sum as may then remain due. The Master on hearing the summons, may make such order or refer the parties to a suit. Such order, if made, may be executed under Order XXI of the Code of Civil Procedure as a decree for money

REVENUE NOTIFICATIONS.

NOTIFICATIONS.

No. 7.—In virtue of the powers delegated under clause XI of Government Notification No. 485, dated 13th July 1896, published on pages 1283 and 1201 of the *Fort St George Gazette*, dated 29th September 1896, Part I, as amended by Government Notification No. 181, dated 15th March 1924, and in supersession of Commissioner's Notification No. 9, dated 3rd July 1933, the Commissioner of Excise hereby prescribes the following rules for the issue, etc., of licences under section 22 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1933:—

(1) The villages in the Agency tracts specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiris district and the Wynad taluk, Anjengo, Tangasseri and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of arrack or toddy arrack,

(c) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(d) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the West Godavari district and in the Repalle and Ilapatla taluks of the Guntur district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale;

(e) of toddy shopkeepers or renters in the Mysore territory, in the Civil and Military Station, Bangalore, and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(f) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State; and of toddy renters in the Cochin State; and

(g) of any member of a hill tribe whether a tree-owner or not, residing in Sirumalai, Adivaram, Madhuravada and Hindustaniore villages of Viraganiam taluk or in any of the villages of the Viraganiam district specified in Schedule II, for not more than five trees for each household for domestic consumption, but not for sale.

In cases (b), (d) and (e) the licences may be issued in the name of the applicant himself or of his nominee, and in cases (a), (c), (f) and (g) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees for the first instalment thereof, as the case may be, due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury or a Taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (a) and (c) the tree-tax must be paid into a Government treasury of the taluk in which the shop is situated or to an authorised village hunnal in the same taluk, and the renters concerned should affix a declaration in the applications to the effect that they have obtained a licence permanent or temporary for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the application and fees are presented to these officers. Pudukkottai renters, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made to the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the fees due into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T. T. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. Applications from Mysore renters for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the village headman of the village in which the trees are situated in token of the correctness of the entries concerning the ownership of the trees. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier. The procedure for the marking of trees in British territory for toddy shops in the Civil and Military Station, Bangalore, will be similar to that laid down for the marking of trees in British territory for Mysore shops.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore and the Civil and Military Station, Bangalore, for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries of the Madras Government and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore territory does not entitle an applicant to tapping licences for trees so reserved.

6. (1) Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Korkuntla Sub-Treasury, the rate being the same as in the Karnool district. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax in that State at the higher of the rates prevailing on both sides of the frontier.

(2) Toddy shopkeepers in British territory adjoining Cochin State may be allowed to tap trees in that State on payment of full tree-tax in that State at the higher of the rates prevailing on both sides of the frontier.

A Cochin State renter applying for trees in British territory must pay full tree-tax in one instalment at the higher of the rates prevailing on both sides of the frontier; and a British treasury, and present to the British Tahsildar or Deputy Tahsildar concerned an application which must be certified or countersigned by the Circle Inspector of the division within whose jurisdiction the shop is situated. The British Circle Inspector to whom the application is forwarded shall have discretion to refuse to comply with an application either wholly or in part. The currency of the licences and permits issued by the British Circle Inspector shall correspond with the periods for which licences for tapping are granted under the tree-tapping rules in force in the Cochin State. The licences and permits issued to the State renter by the British Inspector shall be liable to suspension or cancellation at the request of the Cochin State Excise officer.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will at once take steps for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in any village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadasi (*Arenga Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been directly tapped, on which the full free-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for:—

District.	Coconut palms (for each half-year as defined in rule 11 above).	Sago palms (for each half-year as defined in rule 11 above).	Palmyra or date palms (for the whole year as defined in rule 11 above).	Dadasi (*Arenga Wightii*) palms (for the whole year as defined in rule 11 above).

EXCISE DEPARTMENT.

NOTIFICATION.

No. 6, dated 26th June 1933.

NOTICE OF SALE OF ARRAKI PRIVILEGES

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency, including the Banganapalle State and the toddy farms of 122 villages of the Parlakimedi Mahals of the Ganjam Agency, will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1933 and ending 30th September 1934. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom, the auction sales will be conducted, will be notified by Collectors in their District Gazettes. A separate notification will be issued regarding operations under the tree-tax system.

Conditions of Auction Sale.

I. Any person desiring to bid must deposit Rs. 20 with the selling officer on the day of sale, but discretion is given to the selling officer to reduce the deposit to Rs. 10 when necessary. In Madras City the deposit to be made by each bidder will be Rs. 50. No one will be admitted to the auction room unless he has made this deposit. No one may bid for another person unless he holds a power of attorney from him. No shop will be knocked down in the name of two or more persons. In the case of a duly recognised company or firm an agent duly authorised by a power of attorney, or any office-bearer empowered by the articles of association, or similar rules, may bid for and act on behalf of the company or firm. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale.

NOTE.—In Madras City the deposit must be paid into the Bank Treasury and the challan for such payment produced before the selling officer. Deposits will be returned under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on presentation of the challan at the taluk office.

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of licence or of a contract under the Abkari Optum Act as to render him undesirable as a holder of a licence, or (2) that he is insolvent or in arrears to Government; or (3) that his bid is purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village, or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; or (6) that he is a brewer or agent of a brewer (either local or foreign) bidding for any shop in which beer is sold for consumption on the premises, or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

III. The reserve price placed on each shop or farm will not be published but the average annual rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop or farm.

IV. The shops or farms will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop or farm, he may at his discretion either accept the next highest bid or resell the shop or farm. In case of dispute the selling officer's decision will be final.

VI. (a) Every person whose bid is provisionally accepted shall—

(i) at once, if so required by the selling officer, or otherwise at the close of the day's sale, deposit, in addition to the deposits made under clause I, half a month's rent for each shop or farm, knocked down to him, unless the initial deposit equals or exceeds two month's rent;

(ii) at once apply in writing for a licence for each shop or farm knocked down to him and within a week thereafter furnish the Tahsildar with the boundaries of the site selected by him for the location of the shop or farm and a statement in the prescribed form (annexed to this notification) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, etc., thereon;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) supra will make up two months' rent of all shops or farms knocked down to him.

(b) Further if the Tahsildar is not satisfied that any such person can be trusted to pay his

rent punctually and fully, he may require him, in addition to the deposits required under clause (a) (iii) supra, either

(i) to deposit two months' rent of all shops or farms knocked down to him, or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser, or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof, by the surety or sureties or by the purchaser, or

(iv) if the Tahsildar is not satisfied that the value of his immovable property tendered as security is adequate, he may require such person further to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due and execute a mortgage deed of the surety or sureties' property in favour of the Government. The sureties referred to in sub-clauses (iii) and (iv) should submit to the Tahsildar a statement in the prescribed form annexed to this notification showing details of their immovable property. The purchaser shall be bound to carry out the provisions of sub-clauses (i) to (iv) above within fifteen days from the date of sale.

The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. He shall also be bound to execute a counterpart agreement. The bidder or his surety must produce at his cost an encumbrance certificate in cases where immovable property is mortgaged to Government.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will notify the date on which resales, if any are found necessary, will be held; when the list of shops or farms to be resold has been drawn up a copy of it will be sent to any bidder who gives his name and address to the Tahsildar.

IX. The order of the Collector confirming or refusing to confirm the acceptance of a bid shall be final unless it is revised by the Commissioner for special reasons. In the event of any original bid not being confirmed by the Collector for the reason that it is inadequate, the resale should begin with the bid provisionally accepted by the selling officer at the original sale and in the name of the individual who offered that bid.

X. On the failure of any person to make a deposit or apply for a licence under condition VI or to comply with any requisition or to execute any engagement under condition VI, the shop or farm may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the deposits already made by the defaulting bidder will be forfeited and deducted from the loss arising from the resale, and the balance of the loss, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the deposits be greater than the loss by resale, only such part of the deposits as is necessary to cover loss by resale will be forfeited and the balance refunded to the defaulter. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (a) (iii) and (b) (i) may be made either in cash or in recognised Government, Port Trust, Municipal or Local Board securities, or by depositing Postal savings bank pass books or deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under this condition are sufficient, under the Collector's orders, to cover also deposits made in cash under conditions I and VI (a) (i) which have not been refunded as well as deposits due under condition VI (a) (ii) and (b) (i) the deposits made in cash may be returned to the depositors. Renters who have made the deposits under condition VI (a) (iii) and (b) (i) in the form of deposit certificates obtained from any of the Central Banks mentioned above or in cash may make a formal requisition to the Treasury Officer or Sub-Treasury Officer as the case may be to transfer the cash deposits made by them under conditions I and VI (a) (i) or under conditions I, VI (a) (i) and VI (a) (ii) and (b) (i) to the fixed deposits in the Central Bank in the name of the Tahsildar. The Treasury Officer or Sub-Treasury Officer as the case may be will endorse this requisition on to the Bank and inform it that when the Bank gives the necessary formal receipt, he will hand over the amount to the representative of the Bank duly authorized to receive it, or will remit it by postal money order or insurance cover to the Bank. When the amount has to be sent by postal money order or insurance cover the renter will be required to deposit in the Treasury or Sub-Treasury, with his requisition to transfer the deposit, an amount which shall, in the opinion of the Treasury Officer or Sub-Treasury Officer as the case may be, be sufficient to cover the cost of forwarding the amount of the deposit to the Bank; any balance not utilized for this purpose will be credited towards any rent due from the depositor. The securities or savings bank pass books deposited must be endorsed in the name of the Collector and Government promissory-notes must be enforced for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates the deposits must be made in the name of the Tahsildar of the taluk; the contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the banks must certify on the deposit certificate granted that the deposit is withdrawable on the Tahsildar's demand.

XIII. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass books or Co-operative Bank deposit certificates will be returned on payment in cash of the full amount of the rent due and of any penalties or other sums recoverable under the terms of the licence or of the conditions set forth below unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under condition X of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder if any, due after such sale, being recovered as arrears.

All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee and shall become due immediately on resale or other disposal of the shop, but the defaulting licensee shall have no right to any gain which may accrue. The rent for the whole lease shall become due at once when a lease is cancelled under this or the preceding rule.

The rent for the whole lease shall become due when a licence is cancelled under this rule.

NOTE.—For continuing breaches of a licence, continuing fines may be imposed.

38. Any sum due by a licensee may be adjusted from the deposit, if any, made by him or collected under the Revenue Recovery Act as an arrear of land revenue. The licensee shall be bound to replace any sum adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar or Deputy Tahsildar in independent charge.

39. Interest on all moneys due shall be payable at the rate of 6 per cent per annum.

40. Specified sites or definite limits for each shop not overlapping those of other shops will be prescribed and notified in the District Gazettes before the sales. A Tahsildar may at any time permit or order the transfer of a shop within the limits notified for the shop in the sale notice. No changes in the number or location of shops and depots likely to affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under the special sanction of the Commissioner.

41. The right is reserved to the Collector to grant 'occasional licences' for the sale of liquor, opium and intoxicating drugs on the occurrence of fairs, festivals etc., in places in the vicinity of which there are no regularly licensed shops.
